

Product: Pure Gum Rough Top

Description: This Tan non-marking rough top belt with soft gum material has excellent grab capabilities for incline and decline conveyors where long wear is required. The tan rubber is more economical, yet highly serviceable.

Physical Properties

Type:	Rough Top Belt
Color:	Tan
# of Fabric Plies:	2
Fabric Top Material:	Blended SBR Rubber
Fabric Bottom Material:	Polyester (PET) fabric
Profile Top side:	Grip structure
Profile Bottom side:	Bare Fabric
Total Thickness:	0.26"

Technical Data

Temperature Range:	-40 to 121 C
Joining Methods:	UCM36 Clipper, #7 Alligator, #62 Staple
Antistatic:	No
Oil and Grease Resistant:	No

Pulley

Min Pulley Diameter:	2" Clipper, 2" Alligator, 2" Staple
Carrying Rollers	Yes
Slider Bed	Yes
Trough Installation	No

Standards

FDA food contact	No
